WHY CHOOSE KAPLAN?

OVER 80 YEARS OF EXCELLENCE

Kaplan has been teaching languages long enough to know what students need and the challenges a language school can face as a business. We have schools in 7 countries around the world and other divisions specializing in different areas of education.

FINANCIAL STABILITY

Kaplan International Languages is part of a very successful, publicly listed American company, Kaplan Inc., and is part of a large network of education and training institutions across many industries.

HIGH ETHICAL STANDARDS

Corporate social responsibility is one of Kaplan International Languages' main focuses. Kaplan does what it can to support the communities in which we operate, ensuring everything we do has the best interests of others at heart. We are careful to follow all commercial rules in the countries where our schools are located and have no complaints listed in local industry organizations made against us.

NO 'TOO-GOOD-TO-BE-TRUE' PROMOTIONS

Large discounts ultimately compromise the quality of the education you are receiving. Kaplan always ensures that your experience will be of the highest standard. We only ever offer promotions to add value to your booking - this will never result in us cutting corners or including hidden costs that normally follow such business practices.

GUARANTEED PROGRESS

On selected Intensive English courses in most countries, we can guarantee that you will improve by at least one level of proficiency mapped to the Common European Framework of Reference (CEFR) every 10 weeks. Unlike many language schools, our proficiency levels don't give you a false sense of progress - by the end of your course, you will see significant improvement. Always check what a "level" really means in a school, and if it's backed up by research.

A LARGE NETWORK OF PARTNER UNIVERSITIES AND INSTITUTIONS

Kaplan has specialized divisions for various professions and strong working partnerships with some of the best universities in the US, UK and Australia, helping you to pursue your higher education goals.

HIGHLY RATED ON TRUSTPILOT

Kaplan International Languages has an 'Excellent' Trustpilot rating, based on reviews from our former students.

FULLY ACCREDITED

Kaplan International Languages is fully accredited in all the markets in which we trade. We take the advice of regulatory bodies very seriously to ensure that the product we offer is the best it can be for language students.

You may not be charged more than fifty-two (52) weeks (twelve (12) months) of tuition at any one time.

3. Visa information

Visa requirements are subject to change, and it is the responsibility of the student to arrange all applicable travel permits or visas and to have a valid passport and leave to remain for the whole period of study. The student may be asked to make payment in full prior to the issuing of any of the visa documentation referred to below. Non-visa nationals can travel to the UK for 6 months under the visitor route. There is no need to apply for a visa beforehand and entry will be stamped on arrival to the UK. An Electronic Travel Authorisation (ETA) is required to enter the UK and can be applied for on-line through https://www.gov.uk/guidance/apply-for-an-electronic-travel-authorisation-eta

Visa nationals will need to apply for a standard visitor visa (6 months) prior to arriving to the UK through https://www.gov.uk/standard-visitor/apply-standard-visitor-visa.

Check if you are a visa or non-visa national through this link: https://www.gov.uk/guidance/immigration-rules/immigration-rules-appendix-visitor-visa-national-list

All students (non-visa and visa nationals) will need to apply for a Short-term study visa prior to arriving to the UK through https://www.gov.uk/visa-to-study-english. Students can only study at the institution they originally apply for and so cannot switch schools once in the UK. From April 2025, Immigration introduced a "genuine student" rule for this visa. Students will need to:

- Have a clear study plan to demonstrate genuine intention to study in the UK
- Show sufficient funds to cover your period of stay in the UK
- Provide clear evidence of your genuine intention to study at an accredited school and return home, including accommodation and travel plans

- **IRELAND:**

We will provide you with an invitation letter to study at Kaplan. Non-visa nationals do not need to apply for a visa and can show the letter on arrival to Ireland. Visa nationals do need to apply for a visa before leaving their home country through https://www.ireland.ie/en/greatbritain/london/services/visas/visas-for-ireland/

Check if you are a visa or non-visa national through https://www.gov.uk/guidance/immigration-rules/immigration-rules-appendix-visitor-visa-national-list.

- **USA:**

Our schools are authorized under Federal law to enrol non-immigrant students. After your application is received, Kaplan will request proof of funds verifying ability to pay for the entire enrolment in the US, which is required for Form I-20 Certificate of Eligibility issuance.

- **CANADA:**

Our schools have Designated Learning Institution (DLI) status with Immigration, Refugees and Citizenship Canada (IRCC). We will provide you with an invitation letter to assist you with your visa application, if applicable.

4. Courier fees

A courier service is available on request at the rates below:

- UK: GBP 40
- Ireland: EUR 60
- Canada: CAD 90
- USA: USD 100

5. Travel and medical insurance

Kaplan has worked in partnership with a number of partners to create a tailored travel and medical insurance plan. Details of what these covers are available from your Kaplan representative. The student is responsible for the belongings which they bring with them to Kaplan schools or accommodation and for taking out insurance for their own possessions. Students are required to show proof of medical insurance at the school when they arrive with the sole exception of our online programs. Students will not be allowed to commence a program until they have obtained satisfactory medical insurance. All non-EU students studying in Ireland will also have to register with Garda National Immigration Bureau (GNIB) within thirty (30) days of arrival.

6. Health declaration

Students must report on their application form any: i) mental or physical illness; ii) allergy; iii) disability; or iv) condition, that:

- may require monitoring, treatment or emergency intervention of any kind during the student's anticipated period of enrolment; or
- may require special accommodation.

Kaplan reserves the right to reject an applicant or terminate a student's enrolment in the program if the student's continued participation represents a risk to their health and safety or to the health and safety of other students or staff, or if, notwithstanding reasonable accommodations, in the opinion of Kaplan, the student's physical or mental condition makes the student unable or unlikely to successfully complete their program. Refunds in such circumstances are at the discretion of Kaplan.

7. Tuition fees

Tuition fees include lessons, orientation meeting, use of computer room and internet at school, placement and progress testing and a Kaplan certificate on completion of the program. Kaplan reserves the right to withhold the granting of a certificate attained by a student if payment due remains outstanding, or other conditions notified to the student are not met.

8. Additional services

At Kaplan's discretion, students may be required to book single room accommodation instead of twin room accommodation.

10. Under 18 year olds

The minimum age for participation in a Kaplan program is 16, unless a student is enrolled on a designated junior program or written authorization has been obtained by the relevant School Director. Kaplan delivers adult programs (except for programs advertised as being for juniors or young learners). Therefore, students aged 16 and 17 are advised that they will be attending classes with students aged 18 and over. Under 18-year-olds may be required to, provide custodianship documents, live in Kaplan- approved accommodation, book Kaplan's airport transfer service both ways, and purchase a medical insurance policy. All students under 18 must have travel and medical insurance in place for the duration of their program. Students are required to show proof of medical insurance at the school when they arrive. Parents/Guardians of under 18 students are required to sign the under 18 parental consent forms and other documents prior to arrival in the UK. Terms and Conditions

1. Rules and regulations

Students' arrangements with Kaplan are governed by the law of the country where the particular school attended is located.

2. Arrivals and departures

All accommodation is booked from the Saturday or Sunday before the program start date until the Saturday morning after the program end date, unless otherwise advised. A partial week may be counted as 1 week's accommodation. Check-in and check-out times are included on the fact sheet for your chosen accommodation unless special arrangements have been made with the accommodation provider, or an alternative check-in/check-out time is noted in your accommodation confirmation. Students arriving between 22:30 – 06:00 may be asked to book alternative accommodation in a hotel on their first night due to late/early arrival at accommodation or be charged an extra night of accommodation. Students wishing to book an extra night on arrival and/or on departure can do so subject to availability, at a rate that is 25% of the weekly accommodation rate for their chosen accommodation.

3. Late arrivals, vacations and absences

If the student begins their enrollment late or are absent during your program, Kaplan will make every effort to ensure they are able to complete the full period of enrollment, but this cannot always be guaranteed and no refund will be made for the time missed. Periods of absence cannot be made up with a free extension of the program unless the leave of absence has been authorized by Kaplan in advance. Session Break dates are pre-built into the Academic Year Abroad programs and students cannot make changes to these dates. Unapproved breaks taken at other times will be marked as periods of absence. For other programs, granting of any Session Breaks after the program has started will be at the discretion of individual schools, according to visa regulations, and may incur a change fee or be marked as a period of absence depending on location. In the UK, students are entitled to one (1) week of holiday for every 10weeks that they study. For approved absences (Leave of Absence, Medical Absence or Session Break) after starting the program in the USA, the unused tuition weeks will be added to the end of the program at no charge. For approved vacations or leaves of absence after the program has started in Canada, adding the unused weeks to the end of the program will incur a change fee. In the USA or Canada, if the student is absent for three (3) consecutive school days, the student's emergency contact, Kaplan representative or sponsor will be contacted to determine their safety and welfare; if the student is a minor, the authorities may also be contacted. If the student is absent for fourteen (14) consecutive days without notice, the program will be terminated. Normal termination refund terms and conditions shall apply.

4. Meals and classes missed

No refunds or substitutions will be made for meals or classes missed due to public holidays, exams, excursions, internships (if applicable), first day orientation or other obligations that fall outside the normal schedule.

If changing to a location (or changing program) where fees are lower, the difference in fees will not be refunded. If changing to a more expensive location or program, the difference in fees will be charged. All changes are subject to Kaplan's discretion and require approval of the School Director. Students will not be charged a change fee if they extend their program, but late homestay extensions may require a re-placement fee. It is the responsibility of the student to pay for any program or accommodation extensions. Any change of tuition resulting in a reduction in lessons will be treated as a termination of the existing booking and rebooking and will thus be subject to the standard terms & conditions governing terminations (see 'Termination Policy').

8. Duration of lessons

All English lessons are 45 minutes in duration unless otherwise stated. Courses run from Monday to Friday and lessons are scheduled in the morning or the afternoon. Kaplan cannot guarantee a specific timetable, and schedules are subject to change, unless students have purchased the AM Guarantee. The AM Guarantee is subject to availability, for students in levels A1 to C1.

All students are required to complete a mandatory placement test prior to arrival. Kaplan reserves the right to cancel or refuse a booking if the placement test is not completed. Kaplan does not guarantee appropriate class placement for any student who fails to complete the placement test at least two (2) weeks before the scheduled start date.

9. Substitution policy

Students who do not have the ability to follow any program on offer may be required to terminate their studies with Kaplan. We also reserve the right to cancel programs at short notice due to insufficient demand.

10. Program changes

Kaplan has the right to change accommodation options, program dates, program curricula, instructors, locations, activities and programs at any time at its discretion. Payment Plan

Where these Terms and Conditions are provided alongside a Payment Plan, the Payment Plan shall govern the student's specific financial obligations to Kaplan. All details of Subscription Plans and Cancellation terms set forth herein are subordinate to the terms of the issued Payment Plan.

The Payment Plan shall specify the total number of payments the student is committed to make to Kaplan, regardless of cancellation (except where a fourteen (14)-day cooling-off period applies under EU law to an EU citizen as described in the Cancellation section below) or termination of the course. It shall also set out the payment schedule, including whether payments are due weekly, monthly, or otherwise. The Payment Plan may include additional conditions relating to class participation, as well as Postponements and Breaks.

Where no Payment Plan is issued, the Subscription Plans and Cancellation rights and procedures described herein shall apply.

Subscription Plans and Trial Periods

For subscription plans that include a one-week free trial, payment will be automatically processed on the fourth day of classes. To avoid charges, cancellations must be submitted within the first three (3) days of classes. Once the first charge is made the subscription will continue as scheduled by the payment plan or below.

Students who have purchased a subscription will be billed according to the agreed-upon schedule, either monthly or weekly. An email receipt will be issued following each transaction. Kaplan accepts no responsibility for bank or transaction fees incurred by students as a result of subscription payments.

Unless the subscription was purchased for a fixed term under a specific payment plan, it will automatically renew at the end of each subscription period. To avoid renewal, the student must cancel before the current subscription period ends.

Kaplan reserves the right to update pricing for paid subscription plans periodically. Students will be notified four (4) weeks in advance of any pricing changes. Updated rates will apply beginning with the next billing cycle following the notice. Continued use of the service after a price change will be regarded as acceptance of the new rate. If the student does not agree with the revised pricing, they may cancel their subscription before the new rate is applied.

Trial access is limited to one per student unless otherwise approved by Kaplan.

Lessons (defined here as live sessions with teachers) are set upon a fixed schedule and when missed are not replaced or made up in any circumstances.

All one-to-one classes are subject to the one-to-one policies, which will be provided to students upon booking.

Postponements and Breaks (Suspensions)

Special conditions relating to postponements and suspensions may be included in the payment plan.

No course can be postponed after its enrolment date, as specified by the booking confirmation. Bookings may be postponed a maximum of two (2) times, for a combined maximum of one hundred eighty (180) days total.

Students may request a break after the start of their course, subject to the following conditions: (i) all breaks must begin on a Monday and end on a Sunday; (ii) requests for breaks must be submitted in advance and prior to the Monday on which the requested break is to commence; (iii) no break may be shorter than five (5) consecutive course days (Monday to Friday); (iv) no individual break, nor the cumulative total of breaks, may exceed eighty-four (84) days within any twelve (12) month period of study (equivalent to fifty-two (52) weeks of study); and (v) a maximum of six (6) breaks may be taken within each twelve (12) month period of study, provided the total duration of such breaks does not exceed the limit of eighty-four (84) days as stated above.

In the event of a Distance Contract, students who are EU citizens shall have the right to cancel the legally binding contract formed in accordance with paragraph 1 of these Terms and Conditions. If the student gives notice of cancellation to Alpadia within the fourteen (14) calendar day period beginning on the day on which the booking confirmation was issued by Alpadia.

- If a student exercises their right to cancel during this fourteen (14) day period, they will receive a full refund of all amounts already paid by the student less any fees charged for services already performed by Alpadia.
- If the student has already commenced studying with Alpadia during the fourteen (14) day period, they must pay a reasonable charge calculated by Alpadia for the period of study undertaken.

To exercise the right to cancel under the EU distance contract terms, the student must inform Alpadia of the student's decision to cancel this agreement by email to bookings@alpadia.com.

TERMINATION POLICY

'Termination' means stopping or leaving all or part of the program or programs booked, or reduction in weekly lessons, including extensions, once the first program has started.

When determining the number of weeks completed, a partial week will be counted as a whole week, provided the student was present at least one (1) day during the scheduled week. Used weeks of discounted tuition and accommodation packages (e.g., Academic Year Abroad courses or promotions) will be re-calculated at the current weekly rate for courses with the same number of lessons when any refund is calculated.

In all cases additional service charges (e.g. airport transfers, courier fees, application fees, medical insurance, program supplement fee, etc.) are non-refundable and written notification of termination must be given to the School Director. Students who terminate their program may not be eligible to receive a Alpadia certificate and will not be allowed to stay in Alpadia accommodation.

1. Tuition

Students wishing to terminate must give four (4) weeks' prior written notice to the School Director. No refunds will be made for tuition. Tuition fees are non-transferable to other students.

2. Accommodation

In order to terminate their accommodation contract, students must give at least four (4) weeks' notice in writing to the School Director. The student acknowledges that some hostels and apartments require more notice and may charge a higher cancellation fee - where this is the case it will be notified to the student.

A refund will be made of the unused accommodation fee less the applicable notice period of four (4) weeks and the applicable change fee. Refunds will be calculated based on the total accommodation weeks booked, including periods of extension. Used weeks of discounted accommodation packages including Academic Year Abroad will be charged at the full brochure weekly rate when any refund is calculated.

Some residential options may have additional terms and conditions relating to reservation cancellation, including minimum notice period; these will be included in any refund calculation.

GROUPS

- A minimum of twenty-percent (20%) non-refundable deposit is payable within five (5) business days following confirmation and agreement of Alpadia services.
- All group bookings must be fully paid at least six (6) weeks prior to the program start date or in accordance with any additional contracted payment terms agreed between Alpadia and the group organiser (if applicable). - Individual cancellations within the group are treated as per standard Terms and Conditions.
- If the group booking must be cancelled or postponed for any reason, Alpadia must be notified immediately in writing. The total fees costs payable shall be confirmed by Alpadia upon receipt of the cancellation or postponement request and shall be calculated in accordance with the Cancellation Policy in Alpadia's standard terms and conditions.
- Where a student is refused a visa the deposit (and any non-refundable fees) will be retained by Alpadia. All other tuition fees will be returned upon receipt of the student's visa refusal documentation.
