Academic Course

PRE/ESL FOUNDATION (LEVEL 1-2)

OVERVIEW

ESL Foundation helps students build strong English fundamentals across all four skills— speaking, listening, reading, and writing. With a focus on grammar, vocabulary, accuracy, and fluency, students develop the essential language needed for everyday communication in a supportive learning environment.

HIGHLIGHTS

- Build a strong foundation in grammar and sentence structure.
- Improve fluency and accuracy.
- Expand practical, everyday vocabulary.
- Gain confidence in speaking and writing.
- Receive one-on-one speaking feedback.

PRE-ACADEMIC 1-4 (LEVEL 3-6)

OVERVIEW

The Pre-Academic program (PA1–PA4) is designed to prepare students for academic pathways such as EAP and IELTS. Through a structured curriculum, students strengthen reading, writing, listening, and speaking skills while building essential academic vocabulary and grammar. As they advance, they progress from paragraph writing to structured essays and presentations, gaining the confidence needed for success in Canadian academic settings.

HIGHLIGHTS

- Prepare for EAP, IELTS, and further academic study.
- Develop strong academic reading and writing skills.
- Strengthen grammar, vocabulary, and overall accuracy.
- Progress from sentences to structured essays.
- Practice presentations and academic writing skills.

EAP PATHWAY (LEVEL 7)

OVERVIEW

The English for Academic Purposes (EAP) program is the most academically challenging at RCIIS. It equips students with the skills needed to succeed in Canadian post-secondary education. Students develop critical thinking, analytical skills, and the ability to express ideas clearly and fluently in writing and speaking.

HIGHLIGHTS

- Gain the skills needed to succeed in Canadian post-secondary education.
- Develop critical thinking and organize ideas clearly.
- Learn to write various types of essays and avoid plagiarism.
- Expand academic vocabulary and engage in interesting topics.
- Master research and presentation skills for college, university, and future careers.

TEST PREPARATION (IELTS/FRENCH)

OVERVIEW

The **IELTS Preparation** Course helps intermediate and advanced learners develop core language skills, test strategies, and practice for the Academic IELTS exam in a supportive, student-centered environment.

HIGHLIGHTS

- Focused preparation for the IELTS Academic exam.
- Practice all four components: Listening, Reading, Writing, and Speaking.
- Learn test-taking strategies through exam-style tasks and simulations.
- Student-centered learning with personalized guidance and collaborative practice.

OVERVIEW

The **French Program** develops listening, reading, writing, speaking, and grammar skills in an immersive French environment. Students progress from basic communication to complex conversations and TEF exam preparation.

HIGHLIGHTS

- Learn French in a French-only environment to speak faster.
- Build all four language skills progressively.
- Gain confidence in everyday and workplace conversations.
- Prepare for the TEF exam with practice and strategies.
